The Elden Ring game from Square Enix brings a fantasy action RPG to the battle in the Lands Between, where the Goddesses, the Goddess of Death, and the Goddess of Rebirth have left behind the world of the living. You can play with a variety of different companions (rival adventurers), and unlock higher-level monsters in the world via the outstanding AI you can take care of. With the power you gain from defeating enemies and bosses, you can equip and improve weapons, armor, and magic. With this expanded character creation system, the game allows you to customize the way you battle, whether you wish to defeat monsters quickly by using powerful techniques or tear opponents to pieces with the strength of your arms. By awakening their power, an awakened Goddess will enter your town and invite the villagers to join your party. You can also visit landmarks such as temples and monasteries to exchange goods for help. While traveling with your party, you will gradually grow your companionship. You will also battle with enemies in their hometowns, which is a great chance to earn cash and items. Once you complete the conditions for their alliances with other Goddesses, they will be a member of your party. Talk to your companions, and you will be able to influence them and send them on your quest to find three lost Goddesses. The team at Square Enix is planning to continue working on the game, and will continue to add new content. We hope to be able to share the latest updates as soon as they are ready. Thank you for your continued support. ■

Introduction to Tarnished Tarnished is an original action RPG that allows you to take on the role of a brave adventurer in a fantasy world where the Goddesses

---

have left behind the world of the living. ■ Story Tarnished takes place in the Lands Between. The Goddesses, the Goddess of Death, and the Goddess of Rebirth have departed from our world. Within the vast kingdom of Malkus, a kingdom that once was divided by the three Goddesses, the Goddesses of Life, Death, and Rebirth and the Gods reign over the realm. The kingdom is a lawless land which fiercely battles over the Goddesses, and a place where an adventurer's life is always in danger. The existence of three Goddesses who can be called upon by the townsfolk ensures the safety of the people.

### **Elden Ring Features Key:**

HD Graphics  
Unique Online Play  
Embedded Leaderboards and Achievements  
Procedurally Generated Levels Invented for Online Play

Elden Ring will be released on PlayStation®4 in 2014. Developer □ Kingdom Programmer □ Kingdom Corporation

A Kingdom Producer and test@koeiTEHRING is a dedicated producer to the Koei Studio series. He is also a principal leader for Sword of Etios, offering deep ideas and the special artwork of "Sword of the Samurai". He previously worked for the NGamer series. The project in particular focused on not only designing a new gameplay style, but by collating the Force feedback from play of existing titles and experiments for a new type of game system.

The team for this title is consisting of only self-made members. An enchanting art has been imagined under the compressive but familiar background image. In order to deliver a new AAA title with a variety of premium features, the development team of KINGDOM intend to attain innovation and concept through a number of unique "play" ideas.

- A vast world Full of Excitement A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment.
- Create your Own Character In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic.
- An Epic Drama Born from a Myth A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between.
- Unique Online Play that Loosely Connects You to Others In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others.

Highlights [Game Function] ▷ A vast world Full of Excitement A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. ▷ Create your own Character In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. ▷ An Epic Drama Born from a Myth A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. ▷ Unique Online Play that Loosely Connects You to Others In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others. ▷ Character Classes [Adventurer] The Adventurer has one of the best jobs in the game. Players can use shield throwing skills to deter enemies and have a sharp sense of understanding for the environment. [Wizard] The Wizard has a multi-hit magic attack and an excellent support option for his allies. [Hunter]

## What's new:

**Opinion: Best Discussion on Strategy Mon, 21 Jan 2014 15:44:18 +0000Opinion: Best Discussion on Strategy331**

**Hiya guys! I want to talk about a tiny strategy game. It was released in 2012 and I was very skeptical and suspicious about it since it was only a week after the release that I heard of achievements of the first week and it had not even reached 200,000 sales after 9 months. Then, the developer graciously decided to give me my money back because I was being a p\*\*\*y. What I'm saying is you should always trust the developer. It's a company called Might & Magic and it's an indie game studio. They do not have the needed resources to fool around with a 'complete elaborate' strategic game. They've stuck to their programming pride which is making different kind of games. I am talking about the minute game reviewers ran the review of the best strategy game. What I'm trying to say is, don't trust these 'sales' after you've played it. You can have the piece of mind that it's a good game, no matter how many of other said to you why it sucks a hundred times over. That is the only way I know the quality of a game. On the other hand we are talking about strategy isn't it? Right? No? So, I will talk about what a strategy game is in the first place for the people that do not know of it. Everyone knows of god games and has played strategy games, how about you? \m/ Read on**

**Hey, I did a paper exercise, feel free to read it! Information from wikipedia: A strategy game is a game in which the rules of gameplay require the players to make decisions about the game world. Hence, in strategical game there is always an element of decision-making. So, that's what it is when I talk about the tact part of the game. On the other hand, games with indirect**

## **How To Crack Elden Ring:**

**Download and Install the game**

**The game file should be an executable file, which is typically a.EXE or.DLL**

**Run the installer**

**You will see the game icon and the progress bar**

**Leave the game**

**Go to your directory to install and the game crack**

```
cd /d www.kizbox.com
```

```
wget
```

## **How To Play ELDEN RING:**

- **The game may not be working or install properly.**
- **Launch the game from the "Elden Ring" folder as an EXE file without a Crack in it (make sure to click on the "Elden Ring" folder).**
- **You should be asked to authenticate the game once again, accept the authentication prompt.**
- **NOTE: this should be done even if your game is not cracked as the activation code should be stored in your computer registry so it will activate the game once again.**
- **Launch the game and enjoy the game.**

## **Elden Ring Worth It?**

**Greetings! It's always great to see something new in this world. The world of the Elden Ring seems to be quite different than any other fantasy games. The graphics are not bad at all. The game looks just great and is worth trying out. The writing and background things are pretty interesting, and it wouldn't be hard to see one more game from this developer.**

---

**It seems to be a rather small**
